

Pre-Arrival NCI Accommodation and Housing Information

NCI is located in the heart of Dublin's city centre. You could book a single room with private bathroom en-suite in a shared apartment on-campus (for 1 semester or 1 year minimum) or you could choose from a number of other accommodation and housing options while studying at NCI.

NCI On-Campus Accommodation

You can find details on the NCI on-campus accommodation by visiting our website: http://www.ncirl.ie/Prospective_Students/Accommodation

Host Family Accommodation

Staying with a host family for a month or longer when you arrive in Ireland first is a good way to help you settle in to life in Dublin. However most host families are located outside the city centre so you will need to travel to NCI on public transport.

The website below lists host families in Dublin. You can go on line and chose a host family and contact the family directly to make a booking.
