Pre-Arrival NCI Accommodation and Housing Information

NCI is located in the heart of Dublin's city centre. You could book a single room with private bathroom en-suite in a shared apartment on-campus (for 1 semester or 1 year minimum) or you could choose from a number of other accommodation and housing options while studying at NCI.

NCI On-Campus Accommodation

You can find details on the NCI on-campus accommodation by visiting our website: http://www.ncirl.ie/Prospective_Students/Accommodation

Host Family Accommodation

Staying with a host family for a month or longer when you arrive in Ireland first is a good way to help you settle in to life in Dublin. However most host families are located outside the city centre so you will need to travel to NCI on public transport.

The website below lists host families in Dublin. You can go on line and chose a host family and contact the family directly to make a booking.

Hostel Accommodation

There are a number of Hostels within a five minute walk of NCI and here are two websites:

<http://www.isaacs.ie/>
<http://jacobsinn.com/>

Off-campus accommodation

The following websites are popular amongst students in Dublin searching for accommodation:

www.rent.ie - If you select 'student accommodation' and then 'National College of Ireland' you can view all houses and apartments to rent within walking distance of NCI

www.daft.ie

www.gumtree.ie

Message Boards etc.

Some Indian students have told us they successfully use the message board 'Indians in Ireland' to make contact with Indian students already in Ireland when searching for accommodation
