New Full Time Students – Fee Payment

New full time undergraduate students are required to read the below carefully to self-assess their fee payment.

Please note that the payment system will show you the full outstanding amount, it does not deduct funding from SUSI or the Department of Education at this time so you must read the below carefully to assess what you need to pay. Do not panic when you see the outstanding amount on the system!

What are Student Fees?

For students who would be categorised as Irish/EU fee are made up of the following

1. Tuition Fees
2. Student Contribution Fees
3. Gym Membership Fees

The Department of Education and Science fund the tuition fee on “Free Fees Courses”¹.

Students can apply to SUSI to cover the cost of the Student Contribution Fee which is €3000 for the 2022/23 academic year.

The Gym Membership fee is €80 and must be paid by all students, it is not funded by an external body.

¹ The only course not covered by Free Fees at the National College of Ireland is the BA Hons in Psychology

How do I calculate what I need to pay?

To make things as easy as possible we have outlined a number of scenarios below. Students will fall into 1 of these scenarios. Read the scenarios carefully to confirm what you must pay before proceeding to online registration.

Scenario 1: Full Time, Irish/EU, SUSI

- I am an Irish/EU student and lived in Ireland/EU for 3 out of the last 5 years
- I am a full-time undergraduate student
- I have applied for/been awarded SUSI funding for the upcoming year
- I have not completed a full time courses at this level in another institution previously

Total Payment Amount = €80.00

Scenario 2: Full Time, Irish EU, no SUSI

- I am an Irish/EU student and lived in Ireland/EU for 3 out of the last 5 years
- I am a full-time undergraduate student
- **I did not apply for SUSI funding**
- Total Payment Amount = €3080. You can choose to pay this in full or;
- Pay €1580 in September and €1500 in December/January or
- Pay €680 and sign a direct debit form and return to fees@ncirl.ie the remainder of the fee will be split into instalments.

Scenario 3: Full Time, Self-Funding (excludes BA Hons in Psychology))

- I am a full-time undergraduate student
- I did not apply for SUSI funding
- **I may have undertaken a college course in a previous institute**
- **I may not be an Irish/Eu student**

On the below programmes you can choose to;

1. Pay the full “Amount Due” presented to you on screen
2. Pay half the tuition fee + full gym membership fee (the other half will be due before semester 2) **see table below**
3. Pay 20% of the full outstanding amount **and [sign a direct debit form](#) and return to fees@ncirl.ie the remainder of the fee will be split into instalments.**

Scenario 4: BA Hons in Psychology

Year 1 Fees: Tuition Fee €6250 + Gym Membership €80 = €6330

No SUSI funding

If you have not applied for SUSI funding or are not eligible for same you can pay in the following manner in order to be registered;

1. Pay the full outstanding amount €6330
2. Pay half the tuition fee(€3125) and full gym membership fee (€80) = €3205
3. Pay a 20% deposit of the tuition fee (€1250) and full gym membership fee (€80) = €1330
You must [sign a direct debit form](#) and return to fees@ncirl.ie the remainder of the fee will be split into instalments

SUSI funding

If you have applied to SUSI they may have already confirmed in writing what they are funding you. If so you can calculate what you need to pay based off what they will fund you.

For Example: If SUSI confirm they are funding you €3000;

€6250 (Tuition Fee) - €3000 = €3250 + €80 gym membership = **Amount Payable**

€3330

- The payment of €3330 can be split into two payments due in September and again December/January
- Or you can pay 20% of outstanding amount and [sign a direct debit form](#) and return to fees@ncirl.ie the remainder of the fee will be split into instalments.
