

SENSORY MAP

Mayor Square

Front Entrance NCI

Sensory Room at NCI

WELCOME TO MAYOR SQUARE

You are very welcome to National College of Ireland. This sensory map is intended to help you enjoy your visit to our Mayor Street Campus. We also have a separate sensory map available for our other building which is located about 5 minutes away on foot at Spencer Dock. If you have any questions or suggestions about your visit to NCI, you can call us on 01-4498500 or email reception@ncirl.ie.

ARRIVING

The red line LUAS stops right outside our door. The entrance is at the front of the building through the glass revolving door or the automatic doors to the side. You will enter into the building in the atrium with the reception desk on the right. We also have an underground car park which has limited paid for car parking available. There are marked stairs from the car park that lead up to the atrium and reception area.

AUTISM FRIENDLY

NCI is proud to be accredited as an Autism Friendly Higher Education Institution by Ireland's autism charity AsIAM. You can find out more about our autism friendly status on our website at <https://www.ncirl.ie/autismfriendly>.

Note that we have a [sensory room available](#) for student and staff use on the first floor. The reception and atrium area can sometimes be busy as there are often events held here. There are a number of quieter spaces in the building and in the Spencer Dock building.
