

SENSORY MAP

Spencer Dock

Front Entrance at Spencer Dock

Lobby at Spencer Dock

WELCOME TO SPENCER DOCK

You are very welcome to National College of Ireland. This sensory map is intended to help you enjoy your visit to our Spencer Dock Campus. We also have a separate sensory map available for our other building which is located about 5 minutes away on foot at Mayor Square. If you have any questions or suggestions about your visit to NCI, you can call us on 01-4498500 or email reception@ncirl.ie.

ARRIVING

The red line LUAS stop is a short walk from our front door. The entrance is at the front of the building through the glass revolving door or the automatic doors to the side. You will enter into the building in the lobby with the reception desk on the right.

AUTISM FRIENDLY

NCI is proud to be accredited as an Autism Friendly Higher Education Institution by Ireland's autism charity AsIAM. You can find out more about our autism friendly status on our website at <https://www.ncirl.ie/autismfriendly>.

Note that we have a [sensory room available](#) for student and staff use in our Mayor Square campus. The reception and lobby area can sometimes be busy as there are often events held here. There are a number of quieter spaces in the building and in the Mayor Square building.
