## 110% INCREASE IN PARTICIPATION

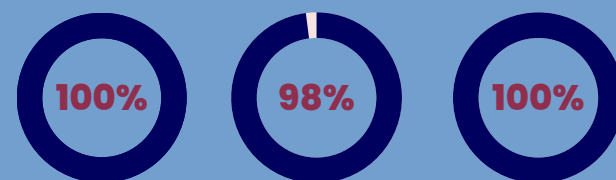

- 42 FLASH MENTORING EVENTS
- 240 1-TO-1 SESSIONS

## SUPPORTING ORGANISATIONS

We had 75 mentors participate this past school year, 2023-204

## STUDENT FEEDBACK

- All NEIC schools have opted into the 2024-2025 Mentoring Program
- 98% of students reported benefitting from the programme
- 100% of students would recommend the programme

"The flash Mentoring programme allowed student an insight into career interests and did so with relative ease. In their own personal lives, a lot of our students wouldn't come into direct contact with people in these sort of roles so it allows these students to 'dream big' and realise that these types of jobs are available for them also."
