

BA (HONOURS) IN ACCOUNTING AND FINANCE

Duration:	CAO Points 2021:
Three Years Full-Time	330
NFQ Level:	CAO Code
Level 8	NC022

In accordance with our quality assurance processes, programmatic review is underway. This current review may result in some changes to the content of this course starting in September 2022.

About the Course

This accountancy and finance degree is about much more than just the numbers. It will give you the technical skills you need and the ability to think critically and creatively, to understand how an organisation can succeed. It features a blend of specialised accounting and finance subjects together with general business subjects.

The course will help you understand the relationships between finance and other business disciplines. You will develop a critical and methodical approach to problem-solving and decision-making in a financial context and develop the ability to interpret and communicate financial and other information. The broader business viewpoint of the course will give you an excellent foundation in leadership and management and give you the broad perspective necessary for the modern interconnected business world.

This degree will equip you for a career in accountancy, finance and related fields. NCI has particular expertise in this area and graduates have achieved graduate-level employment positions.

You may also be able to take advantage of an opportunity to engage in a year-long, accredited work placement between years two and three. This placement will be credit-bearing and comprises an extra year in the degree. Access to such placements will be limited and highly competitive.

As a graduate of this course you will:

- Understand the theory and practice of accounting and finance.
- Develop your skills and knowledge in all areas of business.
- Be able to pursue a career in general management, accountancy or related fields.
- Be eligible for professional accountancy body exemptions.

Minimum Entry Requirements

Minimum entry requirements are a grade H5 and above in two higher level subjects together with a minimum of O6/H7 in four other subjects. A minimum of grade O6/H7 must be obtained in English. A grade O5/H6 must be obtained in Mathematics. Mature applicants, applicants with a disability or those applying through the DARE or HEAR access schemes should consult pages 70 and 71.

Course Fees

This course qualifies under the Free Fees Initiative and Student Grant Scheme.

Course Structure and Award

This undergraduate course is a three-year honours degree (four years with the option of a placement*). The course is run over six semesters with continuous assessment held throughout the course and examinations at the end of each semester.

In each year of the degree any student with an overall average of 70+ will win a Dean's Award.

On completion you will receive a QQI BA (Honours) Degree in Accounting and Finance at level 8 on the National Framework of Qualifications.

*Students who complete the Career Management Skills module and meet set grade criteria are eligible (subject to availability) to complete a work placement on year three of the programme and graduate after four years with 240 ECTS credits.

Career Prospects

Recent graduates from current accounting and finance degrees at NCI are employed as trainee accountants and tax advisors within the Big 4 and Top 10 accountancy firms together with industry and financial services. Many are undertaking the professional accountancy exams, and specific employers include: EY, Deloitte, BDO, Grant Thornton, JPA Brenson Lawlor, JP Morgan, Enterprise Rent-a-Car, Citi, BNY Mellon, Moore Stephens, Cornmarket, PwC and Daiwa.

Further Study Options

Upon successful completion of the BA (Honours) in Accounting and Finance, graduates can progress to postgraduate courses at level 9 on the National Framework of Qualifications such as the MSc in Finance at NCI or pursue a professional accountancy qualification such as ACA, ACCA or CIMA.

Who is the course for?

The course will appeal to students looking to move into the international world of accounting and finance. The course is for school leavers, mature students and graduates of QQI level 5/6 programmes who wish to embark on a course of full-time study.

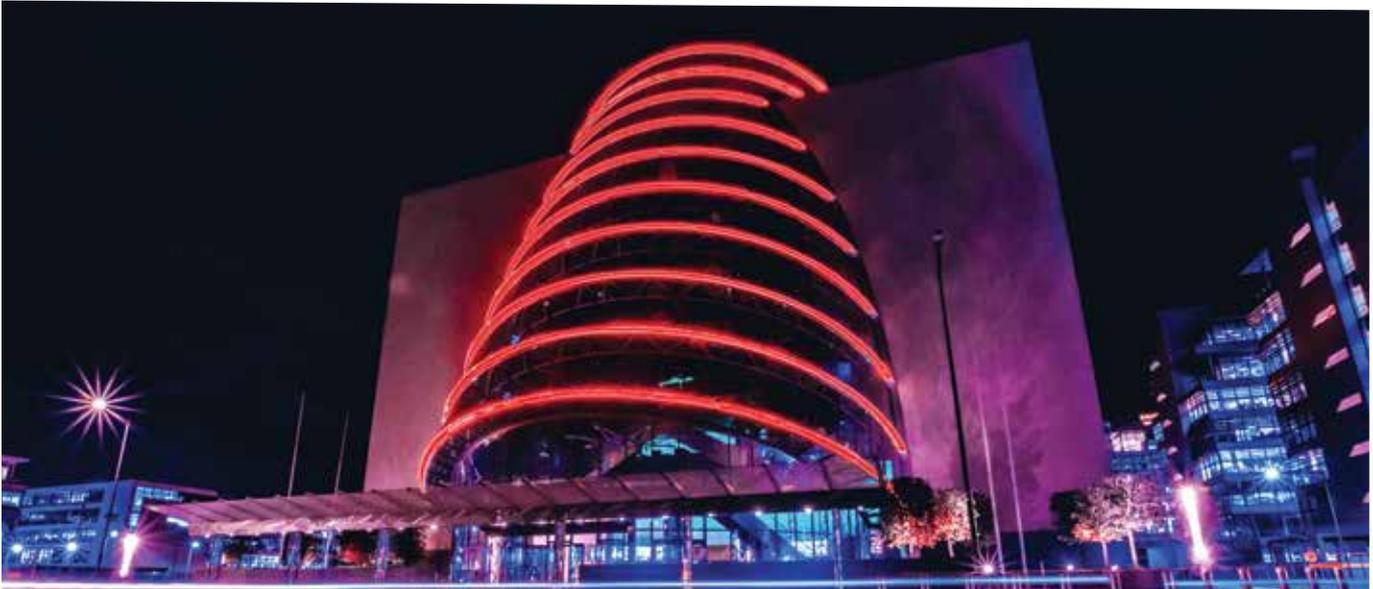

Professional Recognition

Graduates who meet the criteria decided by the professional accounting bodies may apply for generous exemptions from the examinations of professional accountancy bodies on completion of the course. These include Chartered Accountants Ireland (CAI), Association of Chartered Certified Accountants (ACCA), Chartered Institute of Management Accounts (CIMA) and Certified Public Accountants (CPA) Ireland.

Laptop Requirements

NCI strongly advises that all students should have access to a suitable laptop for their course. A student laptop loan scheme may be available for certain eligible students. Details of the laptop loan scheme and laptop specifications, which can be different for each course, are available on our website.

Work Placement

Work placements are highly regarded by graduate recruiters and offer many advantages to students including valuable work-based skills and experience, the opportunity to make contacts in industry, assisting in developing personal and professional confidence, and an opportunity to boost your employability prospects when you graduate.

This programme offers high achieving students the option to complete an 8-month paid work placement after successful completion of second year. This option is subject to strict requirements and will be discussed with students on entry to the course.

A GUIDE TO COURSE CONTENT

This accountancy and finance degree is about much more than just the numbers. It will give you the technical skills you need and also the ability to think critically and creatively to understand how an organisation can succeed.
