

# Early Learning Summer Programmes 2023

**Early Learning Initiative**  
National College of Ireland

## STEM Play & Learn

This programme is for children aged 3.5-6 years old, taking place in July and August. Trained Home Visitors will carry out play sessions with the families in their own homes to support and promote children's literacy, numeracy and STEM skills! Families receive between 4-6 visits. All the appropriate educational materials and resources are provided! To register, please go to: <https://forms.office.com/e/rNDiB0NHcs>. For further information, contact [ramona.mihalka@ncirl.ie](mailto:ramona.mihalka@ncirl.ie) or 0867965548.

## Groups Summer - Outs and Abouts

This programme is for children aged 1-5 years and takes place every Monday in July and August. Trained Group facilitators carry out play sessions with families in different locations, like local parks and NCI. We will host events on messy play, teddy bears picnic & so much more.
