

Time: Home Activities Card (Baby/Wobbler)

ABC Early Numeracy Activity Week – Baby/Wobbler Parent Activities

Time: the ongoing sequence of events taking place such as daily routine, seasons, day time/night time. We measure time using seconds, minutes, hours, days, weeks, months and years. Clocks, watches, timers are all examples of how we can measure time

FYI: What is Aistear?

Aistear is the Early Childhood Curriculum Framework for children from Birth to six years. Ask the Early Years Team in your child's setting for more information!

Monday

Hickory Dickory Dock

Hickory dickory dock,
the mouse ran up the clock.
The clock struck one,
The mouse ran down,
Hickory dickory dock.

Aistear Theme
Communication

Tuesday

Hello Sun, Hello Moon

Hello sun, how are you?
Hello sun, how are you?
Hello sun, how are you?
How are you today?
Hello moon how are you?
Hello moon how are you?
Hello moon how are you?
How are you tonight?

Communication

Wednesday

Tick Tock Clock

What does the clock in the hall say...?
Tick tock, tick tock
What does the clock on the wall say...?
Tick, tock, tick tock, tick, tock
What do the watches all say...?
Tick-a-tick-a-tick-a-tick-a-TOCK!

Communication

Thursday

Days of the Week

(to the tune of "Twinkle,
Twinkle, Little Star")

"Sunday, Monday, Tuesday too.
Wednesday, Thursday just for you.
Friday, Saturday that's the end."
Now let's say those days again!

Communication

Friday

Time for Tea

Join your child in early years
setting for a fantastic
Tea Time Party.

Aistear Theme
Identity & Belonging

Please take pictures throughout the week of your child having fun with time, bring them into your setting, and add them to your child's learning portfolios/learning journals.

Library Visit

Did you know that your local library is also taking part in Numeracy Week? Why not take the children on a visit to the library and look for the numeracy corner? It's full of books and activities that focus on "Time" that you and your child can read together. Your local libraries are: Central Library (ILAC Centre), Charleville Mall, Ringsend, Pearse Street and Marino Library.

ABC Early Numeracy Activity Week – Baby/Wobbler Parent Activities

Time Language: day time, night time, spring time, clock, second, minute

Happy Numeracy Week!

Parents/Guardians join in the Numeracy fun. You are the most important people in your child's life! Support them to learn, grow and develop!

Activities to try out at home...

Spring Time Walk Exploring and Thinking

Go for a spring time walk. Use lots of words related to spring time. Encourage children to use their senses to explore; touch, taste, smell, see, listen.

Plants: bloom, blossom, tulips, daffodils, buds

Animals: lambs, frogs, butterflies, ladybirds, ducks, bunny

Weather: cold, frost, umbrella, wellies, puddles, rainbows

Time Treasure Basket Communication

Treasure baskets are a fun way to play with babies and wobblers. Find an empty box, basket or container. Fill it with items around the home related to time such as clocks, watches, pictures of clocks, egg timers, sand timers, alarm clock.

Allow your child to explore and develop communication skills. Comment on objects they play with, naming objects actions, Remember to use lots of language linked to Time!

Daily Routine Identity and Belonging

If you have "time", you can create a picture book of your child, on different times in the day. This will help your child see themselves in their own daily routine and is a fun reading experiences, children love books about themselves.

Songs and Story Time Well Being

Sing songs and have a regular story time. Sing songs related to time to help your child develop words related to time.

This will also help your child develop stronger relationship with you.

Think about me ...
My Uniqueness
and Active learning!

Let me explore, try out, make mistakes, discover and create my own theories about how things work and why, so that I can be independent and self-reliant and can learn about the world I live in.

Think about how you can help me learn and develop, we can learn together.

Remember: I learn through play, you can support my learning by providing me with lots of opportunity to explore my environment. How am I playing and how can you support my learning.
