# Achievement Scholarships

## Scholarships of €3,000

Live, Learn & Grow in the best connected college in Ireland. Located in Dublin's financial services district and a five minute walk from Silicon Docks, NCI is surrounded by companies such as Google, Facebook, LinkedIn, PWC and JP Morgan.

In September 2018, we are offering scholarships of €3,000 towards tuition fees to students who can demonstrate significant achievement in extracurricular activities such as sport or charitable work. Alternatively, this scholarship is open to students who have significant work experience.

To receive the scholarship, students must confirm their place by paying their fees in full by 31 July 2018.
