Accommodation:

Comprehensive information on different accommodation options available to you. We highly recommend booking student residences and to apply early and to multiple locations.

Careers: Your Future Career: Designed for High-Impact Outcomes

At National College of Ireland, career development is part of your student journey from day one. Our structured employability model combines practical learning, career guidance, market intelligence and employer engagement to help you build the skills, confidence and professional network needed to succeed in Ireland's competitive job market.

Industry-Relevant Curriculum: Programmes are designed with industry needs in mind, helping you develop practical skills aligned with changing workforce demands.

Embedded Career Management: Build your employability through credit-bearing career module, practical workshops, 1-to-1 coaching, CV clinics and interview preparation.

Market Intelligence: Develop a better understanding of Ireland's labour market, in-demand skills, recruitment trends and employer expectations, helping you make informed career decisions.

Connect with Employers: Engage with employers throughout the year through careers fairs, networking events, showcases, hackathons and industry activities.

Award-Winning Careers Support: NCI has received 8 national careers service awards and holds a QS 5-Star Rating for Employability.

WITH YOU EVERY STEP OF THE WAY
