SECTION 3: DEFERRAL PROCESS FOR OFFER HOLDERS AND CONFIRMED PLACE HOLDERS

- From January 2025, the tuition fees and scholarship for Masters courses are increasing. Applicants who defer to the January 2025 intake, the revised tuition fee and relevant scholarship will be applied.
- Deferrals can only be processed if the applicants preferred intake is open for applications.
- Deferrals can only be processed **if there is available capacity** in the preferred deferred intake.
- Applicants, who defer their place, will have the standard academic scholarship for the new intake, listed on their offer letter.
- Prestige scholarships (e.g 50% Masters programme scholarships) will not be deferred. Applicants will need to re-apply for any additional scholarships and may not be successful in securing the scholarship for a second time.
- If an applicant defers their place and subsequently withdraws they can apply for a refund. However, applicants should be familiar with the refund policy as an administration charge will apply.
- If the application was submitted via an agent the applicant must complete the deferral form and return to their agent, along with a copy of the offer letter and their fee receipt(s). The agent must submit an application for the deferred intake online, using the Student ID listed on the original offer letter. **If there is available capacity** in the preferred deferred intake a new offer letter and updated fee receipt will be issued.
- For applicants who applied directly please complete the deferral form and email it to admissions@ncirl.ie. **If there is available capacity** in the preferred deferred intake a new offer letter and updated fee receipt will be issued.
