

REGISTRATION FORM for International Students January 2024

All new NCI International Students must complete the Registration Form and submit it by **12th January 2024**. This applies to:

- International students travelling to Ireland
- International students already resident in Ireland

The Registration Form is required to ensure that:

- Students are fully registered to begin their course on time
- Students are scheduled for their Welcome Meeting
- Students letter to register with Irish immigration is generated and ready for their welcome meeting
- Arrival details are confirmed and to arrange the airport shuttle service (optional)

Students must be in Ireland for classes starting 22nd January 2024.

BOOK YOUR FLIGHT

Dublin has direct connections from many major international airports. If there is no direct flight to Dublin from your local airport, you will be able to connect through one of many airports.

Check all the possible connections and, if you require a transit visa for any of the countries you will be travelling through. The [CIBT visas website](#) is useful to check if you need a transit visa.

AIRPORT SHUTTLE TO ACCOMMODATION

The NCI Airport Shuttle Service is a free service provided to all new international students to bring them from the airport to their accommodation in Dublin. However, please note, that the **Airport Shuttle Service will only be available from 3rd-17th January 2024.**

To book this service you must submit the completed registration form with the following.

- Correct Flight Information (Airline, Flight Number and date/time of arrival)
- Full Accommodation address including the postcode
- Submit the form at least five working days prior to your arrival

As the airport shuttle is a shared service for all incoming NCI students, there are a few simple rules you need to respect:

1. Keep in touch with the driver with 'WhatsApp', when boarding the plane and on arrival in Ireland and let them know if there are any delays.
2. The service is for NCI students only. It is not available for family members, friends or students of other institutions.
3. No strong-smelling foods or drink are allowed on the shuttle bus.
4. There is a single drop-off rule in place which means that the driver can only bring you from the airport directly to your accommodation in Dublin, with no stops along the way.
5. Due to space restrictions, there is a limit of 3 pieces of luggage per student.

BOOK YOUR ACCOMMODATION

Students are responsible for finding their own accommodation in Dublin. Accommodation can be either Short Term or Long Term:

- Short Term Accommodation – such as hostels, hotels or Airbnb, accommodation for a limited period.
- Long Term Accommodation – somewhere you will stay for an extended period in Dublin, like a student residence or privately rented accommodation. This will be a place where you can safely receive important documents such as your Irish Residency Permit (IRP) card.

NCI doesn't own or manage accommodation services, however we have some useful information and guides on our [website](#). We highly recommend booking student residences and, as those fill up very quickly, it's important to book as soon as possible. You can also contact [Student House](#) to get assistance with booking student residences. If you're considering renting a private property you can also use the platform [Spotahome](#) - this allows you to book private properties instantly and securely without the need for in-person viewings. NCI students get 30% off the booking fee, [find out more](#).

FREQUENTLY ASKED QUESTIONS
