IT Pathway Scholarships

Scholarships of €9,000

NCI's Higher Diploma in Software Development allows students with an Undergraduate degree in a non-IT field to take an immersive pathway programme. Successful graduates from the Higher Diploma can progress to study at Masters level in any IT field or gain employment in one of the many tech companies in Ireland.

Students joining this Higher Diploma will receive a scholarship of €5,000

On successful completion of the programme, they will automatically receive a scholarship of €4,000 to be used against any NCI Masters programme in technology.

Full fees must be paid by 31 Dec 2017. Terms and conditions of scholarships are available at www.ncirl.ie/international
