

Hotel Rates Sept 2020 to April 2021

National College of Ireland has secured a number of special rates at City Centre hotels for students who require suitable accommodation in which to restrict their movements for 14 days on arrival in Ireland.

Students are advised to contact the hotels directly if they have questions regarding the package the hotel offer. Students must book directly with their chosen hotel. National College of Ireland cannot act on behalf of our students for bookings. Bookings are the sole responsibility of the student.

Important: All nightly rates are based on a minimum stay of 14 nights and subject to availability.
