All courses at NCI are subject to strict limits and places are only confirmed when a student pays their fees in full. Applicants should note that submission of a payment does not guarantee a place, as seats are only allocated on a first come/ first served basis.

It is the policy of NCI not to issue receipts for any payments of less than €7,500. For payments of less than €7,500 NCI will acknowledge receipt of the payment by email only.

Where an applicant makes multiple payments, NCI will only issue payment receipt(s) where thresholds of €7,500 or higher have been reached.
