## IMPORTANT NOTE

Most courses at NCI are subject to strict capacity limits. Places are only confirmed when a student pays their fees in full. However, a full fee payment may not result in your guaranteeing your place, if the course has reached capacity prior to us receiving your full payment.

It is the policy of the college not to issue receipts for any payments of less than €6,000. Where a student makes multiple payments, we only issue full receipts where thresholds of €6,000 and full fee payment has been reached.

In the case of students who are living in countries where the Irish Government offers visa Approval in Principal, we will issue a single receipt for payments of €1,000 received on or before 30 April. Where we accept a payment of €1,000 and issue a receipt, refunds will only be granted where a visa is refused or conditions not fulfilled.

If you do not wish to receive a receipt for payments of €1,000, please tick here
