

# Why Choose National College of Ireland?

**Study** a world recognised degree programme in Business, IT or Psychology.

**Live** in the most dynamic capital city of Europe.

**Work** for a global company as you kick start the career of your dreams.

- With graduate working visas of up to 2 years and over 1,000 leading multinational companies, Ireland is the perfect place to start or progress your career.
- Over 96% of NCI Master degree graduates are employed within 6 months of graduating.
- NCI has over 1000 international students from over 80 countries around the world - your new global network.
- Each year, NCI offers over 500 scholarships to international students - helping you to invest in your future.
- As a QS Rated 4 Star institution, NCI offers an enviable student experience right in the city centre of Dublin.

**Be different. Choose Ireland. Choose NCI.**
