Library Guide
Finding Books

National College of Ireland

The books in the library are shelved by subject number using the Dewey Decimal Classification System, then alphabetically by author. In order to find a particular book in the library, you will need to use the library catalogue. If you need assistance, please consult our online guide or ask at the library circulation desk. In the meantime, please see below some helpful numbers to get you started. Further details are available through the library subject guides.
