

National
College of
Ireland

€1,000 Discount Scheme

for all NCI students for
Full and Part time courses

National College of Ireland is offering NCI undergraduate students the opportunity to progress to a postgraduate award at NCI and to receive a €1,000 discount off the fees. This means if you are a current NCI student just about to complete your undergraduate degree or higher diploma you can get a **€1,000 discount** off a Masters programme starting this September 2018, provided that you **accept your place by June 30th 2018**. After this date a €500 discount will apply.

This special once off discount will also apply to any NCI student who graduated since September 2011. So if you are an alumnus of the college and graduated with a degree in any discipline since this date you can now return and receive this special discount.

The €1,000 discount applies to students progressing from full awards at level 8 to level 9 postgraduate awards at NCI.

It includes programmes such as:

- MSc Cloud Computing
- MSc Data Analytics
- MSc Management
- MA Learning and Teaching
- MSc Marketing
- MSc Finance
- MBA
- Postgraduate Diploma in HRM
- MA HRM
- MSc International Business
- MSc Entrepreneurship
- MSc Mobile Technologies

Terms of the offer

- The discount is €500 plus an additional €500 if you accept your place by June 29th 2018.
- To avail of the discount students must have completed a major award of 60 credits or more at level 7 or 8 on the National Framework of Qualifications with National College of Ireland (either full or part-time). Students must be progressing to a full level 9 award with NCI.
- Students must have completed their degree and be due to graduate in 2018 or have graduated since September 2011.
- The discount does not apply to students progressing to Higher Diploma level 8 programmes at NCI.
- Students must meet academic requirements for any programme they wish to progress to.
- Students must be in good standing with the college and have paid all outstanding fees to avail of this discount.
- All programmes are offered subject to sufficient numbers of students.
- The €1,000 discount will be taken off your first year fees. If you choose to pay your fees by direct debit the discount will be taken off the overall fee for first year. Your initial payment and subsequent direct debit payments will be reduced accordingly for the first year.
- If you have completed a full level 9 Masters award with NCI since September 2011 and now wish to return and complete a different Masters programme you can also avail of this discount. The discount cannot be used if you are topping up from a Postgraduate Diploma to a Masters award as a different fee structure applies in these instances. The discount does also not apply in the case of our MSc by Research/PhD programme.
- This is a special once off discount to encourage NCI students to progress to Masters programmes. Where there is a second year of your programme you will have to pay the full 2nd year fee and no additional discounts will apply.
- This NCI offer cannot be used with any other scholarship or discount.
