

REGISTRATION

All Micro-credential Learner Fee Subsidy students are required to undertake Registration to activate subsidy funding for their place on an approved micro-credential.

How to Register: Login to your account on springboardcourses.ie with the same username and password used to submit your application, then click the **“Register”** button and follow the instructions on screen.

The registration window will be eight (8) days, and you must register within that timeframe. You will only be able to access your account and register while in the Republic of Ireland.
